The mission field is coming to you –

Do you have a heart for missions? Your opportunity to "go without going" has arrived! Every year high school students come to America from all over the world for ten months, to study in American high schools and to experience our culture and way of life. *Hope for Youth International* is looking for Christian homes for the 2019-20 school year who are willing to share the love of God with a young person from another country.

Whether you are a family with teens, empty nesters, young married (over 25), or single with or without kids at home, you can provide a young person with an opportunity to be exposed to the Gospel though the Christian witness you provide during their home-stay with you. For details and more information, please visit the table in the back of the sanctuary today, or contact Tony Barnett at 206-407-8696 or **tonybarnett1964@gmail.com.**
