Here's how we're minimizing the risk of virus exposure this morning:

- Disinfecting all high-touch surfaces regularly
- Making hand sanitizers readily available in the back of the sanctuary
- Greeting with words and waves instead of hugs and handshakes
- Encouraging social distancing when sitting or visiting
- Using a central offering container rather than passing offering baskets
- Foregoing after-service coffee and cookies for now

Cleaning crew openings –

Spring is just around the corner; are you in the mood to clean? Our church family relies on our wonderful crew of cleaning volunteers to keep our church home clean as a whistle! Here are a few fun facts about our His Place Volunteer Cleaning Crew…this crew consists of 32 people ranging in age from 17 to 85. The time that this amazing crew spends cleaning saves our church over $12,500 per year!

We currently need to fill two open positions on our cleaning crew. If you have about an hour twice a month to help out, please stop by the counter in the lobby today to get more information from Buddy, or give Mistry a call at 360-757-3111 during the week.

Share your news –

If you have a milestone birthday coming up, recently had a baby, will be married soon, or certain other celebrations, pick up a Family News form at the information wall this morning and submit it to the church office, so we may consider announcing it in a future Sunday morning Family News. If His Place is your church family, whether member or non-member, we'd like to hear your news!
