

Pray JAMES 5:16 FOR ONE
ANOTHER

April 6th, 2025

Danny Adams passed away peacefully on Tuesday, April 1st, at 4:00 PM, surrounded by his loving family. Danny suffered a hemorrhagic stroke on Saturday, March 29th, and though his time in the hospital was short, it was filled with the love and presence of those closest to him.

While we mourn this great loss, we also take comfort in knowing that Danny is now at peace in the presence of our Heavenly Father.

Please continue to pray for Loretta and their family as they grieve. May they feel God's strength, comfort, and love surrounding them in the days ahead.
